European Forum for economic and green purchasing

Hannover, Germany
24-25 June 1998
Session P1 - EcoProcura 2006 – Welcome to Barcelona

Chair
Gino van Begin, Regional Director for Europe ICLEI – Local Governments for Sustainability

Speakers
Imma Mayol, Department of the University of Barcelona, Spain and Member of the Executive Committee of ICLEI
Núria Buenaventura, President for Environmental Affairs, Province of Barcelona, Spain
Francesc Baltasar, Head of Environment and Housing Department, Government of Catalonia, Spain
Please provide one key insight, based on your experience, on ways to move towards carbon neutrality in procurement.
EcoProcura Göteborg
Mainstreaming Eco-Procurement throughout Europe
8–10 September 2003, Göteborg, Sweden

Final Invitation
Bring together a critical mass of public authorities implementing procurement to achieve real progress in greening the market in Europe.
What more needs to be done to use procurement as a way of achieving strategic goals?
Are we willing and able to create change at a local and European level?
How do we work together to mainstream strategic procurement?
